By booking a 'Guiding for Groups' guide you are agreeing to our **TERMS AND CONDITIONS:**

#### Please read the following carefully

1. A provisional booking may be made by letter, e-mail or by telephone (to be confirmed in writing). A payment of a **non-refundable deposit** should reach us within 14-days of the provisional booking being made to secure the date(s). If the deposit is not received within 14-days the date(s) will be subject to availability.

The balance of your payment must be paid not less than five weeks (35 days) prior to the first day of your booking. If a booking is made less than five weeks (35 days) prior to the first day of your booking, payment must be made in full. Bookings can be made up to 12-months in advance.

2. Guides may be booked for a half a day (up to four hours) or a full day (up to eight hours).
3. On receipt of your booking/deposit the date will be confirmed in writing/via email along with confirmation of the cost of your booking. Bookings may be possible at short notice - dates subject to availability.
4. This guiding service can cater for a minimum of five clients (for up to four clients please see our 'Tailor-made Birding and Wildlife Tour' service). There is no maximum limit to the size of your group (but 15 is a manageable group size for a single guide - additional guide(s) can be provided for larger groups). There is no minimum age requirement. Under 18 year olds are welcomed but must be accompanied by an adult (please use your discretion as to what they are able to cope with).

5. The guide(s) will meet/leave you at agreed locations. Transport is the responsibility of your group although the guide may offer a lift (at no extra cost) to rationalise the number of vehicles taken around the sites.
6. A certain degree of fitness is required at some of the sites that we may visit where we will cover a variety of distances and terrain – please advise us if any of your group have any walking restrictions so that we can plan routes accordingly.
7. We are happy to discuss a suitable itinerary for you or we can fit in with your planned itinerary. We can recommend sites to visit and target species to see (which should not be taken as guaranteed). Itineraries may be subject to change at our discretion depending on weather conditions, tidal states and the target species that may be around on the day.
8. A selection of field guides and a telescope will be carried by our guide(s). Please wear suitable clothing/footwear for the time of year and the nature of the walk.
9. Although we will take all reasonable steps to ensure that your walk is trouble-free, we cannot accept liability for any physical injury or any loss, damage or expense resulting from any events whatsoever beyond our control.
